

The Simmons-Bond Inn Bed & Breakfast is licensed and inspected to assure the highest standards of cleanliness and safety for guests. Our professional innkeepers/owners are taking the following additional precautions to reduce the risk of exposure to COVID-19 pathogens.

Preventative Measures

There have been a comparatively lower number of Coronavirus (COVID-19) cases reported in our area. Here are some additional steps we are taking to prevent exposure. Our small size also helps to further limit the risk of exposure since there are no crowds.

- Breakfasts will be served in our main dining room with two seating times available: 8:00am and 9:00am. Social distancing will be practiced at breakfast, either at the tables or at the two seating times. If available, a separate table may be requested for your group.
- Condiments like salt & pepper shakers, sugar bowls, creamers, juice & coffee carafes will be sanitized or replaced between seatings.
- Our staff will wear masks as breakfast courses are served to our guests and at check-in.
- All staff are required to wash their hands continuously throughout the day.
- Shared surfaces such as door handles, railings, furniture, fixtures, remote controls, light switches and trash cans are disinfected frequently and between guest occupancies.
- Hand sanitizer will be available on request.

Guest Responsibility

The State of Georgia is not requiring all guests to wear masks in public spaces of the Inn at this time. This requirement may change without prior notice. Guests should always practice social distancing during their stay and wear masks in common areas at their discretion.

Special Cancellation Policy

- If you are sick or concerned about being exposed to the virus, please call us at (706-282-5183) to discuss cancellation of your reservation and available options.

Thank you for booking with us.
